

AMBOY TOWNSHIP
MERRY LAKE SEWER PROJECT
SPECIAL MEETING (LAKEVIEW CHURCH)
TIME: 7:00 PM
DATE: MARCH 9, 2010

CALL TO ORDER:

Brad Smith, Amboy Township Supervisor, calls the Amboy Township Special Sewer Meeting of March 9, 2010 to order. Board members present were Brad Smith, Heather Stump, Bernadine Schaedler, Roger Pitts, and Sam Brown. There were 26 guests in attendance. Brad introduced Jeff Pugh, our engineer, for the project.

MINUTES:

Jeff went thru a 2 ½ hour presentation on the status of the sewer system. He explained thru televising and smoke testing and inspections of the lift stations, pumps, lagoons, etc.. He explained the options of payment for the projects, the loans and grants that are available. Jeff took questions during the presentation, and did an excellent job with the entire program. Rick Mahoney and John Mason also did an excellent job answering questions and giving valuable input. Overall, the meeting was a success, with a majority wanting the Township to move forward and capture the grant money available for the project.

Sincerely yours:

Brad Smith, Amboy Township Supervisor
