

# **VILLAGE OF WALDRON WATER SYSTEMS OPERATOR**

**Date: February 11, 2009**

This contract extension is entered into by the Village of Waldron and Steve Reiger (hereafter referred as to the "Operator").

For the purpose of operating the Waldron Water Systems (hereafter referred as to the "Water") for the period from February 10, 2009 to August 10, 2009.

## **I. Duties:**

The operator shall have the sole responsibility to operate the water systems in full compliance with current Department of Environment Quality (DEQ) regulations, current permit requirements, and contents of the "Operation and Maintenance Manual". Such duties shall include, but are not limited to inspections of the facility and equipment planning the treatment of water, sampling water, and compiling and transmitting all necessary reports. The operator shall also comply with any special requirements, including provisions of consent orders, as directed by the DEQ.

## **II. Supervision:**

The operator shall be under the direct supervision and control of the DEQ, who shall set forth the duties and responsibilities of the operator in accordance with their current regulations and provisions of the Waldron Water Systems permit.

## **III. Reporting:**

The operator shall provide to the Village President copies of all reports, operation plan, and recommendations for the maintenance of the system.

## **IV. Maintenance:**

The operator shall make system maintenance recommendations in a timely manner. Routine system maintenance including maintenance of all the equipment, and anything else that is considered part of the system, and shall be performed by the Village and at Village expense.

## **V. Expenses:**

The Village shall pay all expenses relating to the testing of samples required by the operator, including mileage for the transporting samples to the lab.

**VI. Equipment and Supplies:**

The Village will make available to the operator any equipment and supplies necessary for the sampling and testing water.

**VII. Liabilities:**

The operator shall be indemnified and held harmless by the Village for any fines, penalties, or other liabilities arising from the proper operation of the water systems, including liabilities that result from the Village's failure to act upon maintenance, repair improvements recommended by the Operator.

**VIII. Compensation:**

The operator shall be paid \$900.00 per month beginning 30 days following the commencement of this contract. Payments made to the operator as a private contractor and reported on the IRS Form 1099.

This agreement is entered into by the Waldron Village Council and the Water Operator. The terms of this agreement may be terminated by either party, giving 30 days notice for improper performance of duties by either party.
